Good Evening Honoured Guests and Members of the Imperial Sovereign Court of the Wild Rose, Friends and Family,

Personally, I think that last word, family, is the only word that is really necessary tonight. When I was "encouraged" to run for President this year, I accepted the calling because each and every member of the Board and Upper House have become my family, and how could I possibly say no! I have been incredibly lucky to have found a home and a safe place in this community and am proud to be a part of such an amazing organization. We do amazing things for our city, for those in need and especially for each other. We are all a family.

To my fellow board members Doug, Ian, Barry, Marni, Craig, Lony, TJ, Dan and Jim - the ISCWR was lucky to have you. Each of you bring something unique to our board and I thank you so much for your support of the "new girl". None of us could do this on our own and you have helped me so much. Thank you for your ideas, for your laughter and for all your hard work!

To the members of Upper House - Rob, GoDiva, Kitty and Jeffy. You are all amazing and incredible people. Rob, we've had our moments (6 weeks!) but you have become a very special friend and brother to me. Even if I tell you to, don't go changin'! GoDiva, you bring joy and

fun wherever you go and are a light in my life. Kitty, you are gracious and kind and I am so pleased to have gotten to know you. Jeffy, you are a kindred spirit, a brother - never change, and PLEASE....NEVER GROW UP!

To our Monarchs - Ivanna, your grace under pressure and your calm presence is something I'll always be grateful for. Thank you for listening and for your words of wisdom this year. Big Daddy, you are one of the kindest and most compassionate people I know. Thank you for caring so much about all of us. Together, both of you made this an incredible year!

Call it a clan, call it a network, call it a tribe, call it a family. Whatever you call it, whoever you are, you need one. To everybody who is here tonight, who has supported the ISCWR, welcome to our family!

ISCWR President 2009/2010

Message from Honourable Ed Stelmach Premier of Alberta

On behalf of the Government of Alberta, it is my pleasure to welcome each of you to the Imperial Sovereign Court of the Wild Rose's (ISCWR) "Coronation 35 -Somewhere Over the Rainbow".

Not only does the ISCWR help to raise funds for worthy charities, it also helps to educate and bring awareness to all Albertans. So far this year, over \$10,000 has been raised to donate to breast and prostate cancer research; University of Alberta HIV research and also for Camp Fyrefly.

Special thanks to all those involved in planning and organizing this year's event. It takes a great deal of work from a dedicated group of people, and I commend you for all of your efforts.

Enjoy the Coronation!

**Message from His Worship
Mayor Stephen Mandel**

On behalf of City Council and the people of Edmonton, Alberta's Capital City, I welcome you to the 35th annual Coronation Ball.

Every year this dynamic extravaganza not only entertains audiences, but celebrates the important contributions of the LGBT community in Edmonton. Thank you to the Imperial Sovereign Court of the Wild Rose Social Association for hosting this annual event. In addition to the top-notch entertainment, this is a wonderful opportunity to pay tribute to the hard work of your membership.

Active throughout the year, the ISCWR continues to raise awareness of LGBT issues and provides assistance to those in need. The amount of funds that you have raised in the past year alone have enabled you to send many students to Camp fYrefly in addition to providing necessary funding for Breast and Prostrate Cancer and AIDS. Your dedication and commitment to Edmonton is outstanding.

Thank you for all that you have done, and continue to do, to support the LGBT community in Edmonton. Enjoy the Ball!

Yours truly,

A Special Message to Empress XXXIV Ivanna Diamonds and Emperor XXXIV Big Daddy Pump, to The Imperial Court of Edmonton and to all that are here tonight in the Kingdom of Edmonton.... Blessings to all! I am honored to know you both and serve within the International Court System. I have made so many Friends over my travels and I call them my Family. I will always be eternally grateful to our Founder Jose for making all this happen, and to serve under our new Leader, our beloved Queen Mother Nicole the Great. Also Empress Ivanna & Emperor Big Daddy Well Done!

I offer up theses words.

To laugh is to risk appearing a fool. To weep is to risk appearing sentimental. To reach out is to risk involvement. To expose your feelings is to risk rejection. To place your dreams before the crowd is to risk ridicule. To love is to risk not being loved back. To go forward in the face of overwhelming odds is to risk failure.

BUT RISK MUST BE TAKEN!

God bless you all here to night in Edmonton, may we all be "RISKS TAKERS"

I remain.

The John DeSmit Citizen Of The Year Award

The Citizen of the Year Award is presented annually to a person who has contributed freely to making the gay community a better place to live. This contribution, although not necessarily publicly acclaimed, is one that allows each of us to move through life more freely and with more companionship among our neighbours and acquaintances.

John DeSmit was a man at ease with life and who socialized freely with everyone around him. He loved having a good time and demanded nothing from those he encountered. He showed the unaware that gay people are worth caring about. He was himself cared about by many people from all walks of life and his untimely death was a tragic loss to all who knew him.

Emperor 34 1/2 Out of Town — Cory Carmichael

Good Evening Fellow Monarch, Guests and Dignitaries;

I have always had a special place in my Heart for Edmonton. I have had the best of times and some of my greatest memories come from here. I had the pleasure of reigning as 1/2 for Edmonton, many years ago, and now, here I am again, for one of my Best friends.

I was so honoured to be asked this year to be the Out Of Town Half. It has been a great year and I only hope that I have helped in some way. Lorne, Big Daddy, you mean the world to me, and I will always be here. My wish for you tonight is to *Sit Back, Relax and Enjoy*. You deserve it! Ivanna; I have not laughed so hard as I do when the 3 of us are together. It is my pleasure to call you my friend and Empress. You both have done your city so PROUD!!!

To my own Empress, Miss Hell-on Heels, I want to thank you for being here tonight and making **OUR DECADE** feel so real. I miss you my friend. I am honoured to be your Emperor.

I remain

CORY BISHOP TOWERS CARMICHAEL

Emperor 34 1/2 In Town — Jim McBride

Greetings friends,

As you know, I'd sooner be running the spotlight, bouncing on a dance floor, putting on a frock or rehearsing for a big number than write one of these things. In fact, I usually get someone else to do it for me. And if someone did write this for me I know that they would say that I have enjoyed working with the 34th Upper House and have been proud to serve with one of my dearest friends in Big Daddy Pump as his Half Emperor.

Big Daddy, you have served this community well. Thank you for letting me share in your year in this very special way. You know you can count on me anytime to tell you like it is or give you a hand when you need it . . . You just have to ask . . . I'll be the one behind the spotlight, bouncing on the dance floor or rehearsing for a big number.

Ivanna . . . you should be proud of what you, Big Daddy and your Upper House have accomplished this year (and thank you for choosing such a wonderful Half Empress to be my partner!)

Sincerely,
H.M.I.S.M.

Jim McBride

Emperor 19, 29 & 34 1/2 of Edmonton and All of Northern Alberta

Imperial Grand Duke XXXIV—JeffyLube XXXPress

Last year I was very proud and honored when BigDaddy asked if I would be Imperial Grand Duke for the 34th Reign. It has been a great year and there are many moments I'm extremely proud of. The two events I co-hosted with IGD Kitty LeBehr (Leather, Feathers & Fur and The Red Party) were great successes. We raised a lot of funds for our charities as well as putting on a couple of entertaining and unique shows. I thoroughly enjoyed visiting Vancouver and Calgary for their Coronations and was very proud to represent Edmonton at these (and other) events.

I would like to thank my Upper House for a fantastic year and a very special thank you to my Grand Duchess Kitty LeBehr who helped a very microphone-shy Grand Duke through his first hosting duties. Of course I could not have done this without the support of my husband Brian (Dayzi Chayne) – his patience was beyond belief.

There are so many other people to thank and I cannot possibly fit all the names into this small of space but want to mention a few folks whose support and friendship made this year extra special: Thank you Rick & Bob, Pam & Karen, Scott & Stan, Dale & Chuck, Jacque (Agador) Strappe. Marni Gras you are an inspiration. Leah Way – from painting my face for Turnabout to keeping me from going crazy when the going got tough – a giant thank you! To all the members of the ISCWR, and especially members of the Board – your support is appreciated and was phenomenal.

From Calgary: Emperor Fred - simply flawless! Duke Barkley (aka Barkley Elizabeth) – simply insane! Your friendship is something I treasure more than you know. I send my appreciation to all the members and friends of the ISCCA, and other courts, for the support you have given this year.

To my mom, kids, and family who came out to the shows to support me and the ISCWR – what can I say? I have the best family in the world! And of course to EVERYONE who came out to the shows to support me, the ISCWR and our charities a massive thank you from the bottom of my heart.

Imperial Grand Duke XXXIV

Imperial Crown Prince XXXIV—Rob Bigonion

Greetings Out of Town Guests, Fellow Monarchs, and Friends. Welcome to Coronation XXXV in beautiful Edmonton, Alberta, Canada, the city I am proud to call home, the city I am proud to once again have represented as its prince.

At the beginning of this court year, my very good friends Big Daddy Pump and Ivanna Diamonds were elevated to the positions of Emperor and Empress, and Big Daddy asked me to run for his prince. In spite of my past involvement with the ISCSR as Emperor XXVI and XXVIII, I immediately said yes. The job of a prince is to support his Emperor, to be there for him when needed, to represent him when he was unable to be there, and these were all things I could very easily do for someone I have come to truly cherish as a friend.

The year was not all happy moments. The illness and subsequent passing of Mr. Jim Schaefer, the related closure of Boots after 30+ years, coloured the year with somber tones of loss. As a result of this, I wasn't always able to do what I'd've wanted as Big Daddy's Prince, but at the end of the day, the year was a success, and I am honoured to have played a part in it.

While my out-of-town excursions only consisted of Regina during campaign and Calgary, it was great to reconnect with my friends on the circuit and to make some dear new ones. I look forward to renewing the bonds of these friendships further in the coming year.

As always, there are too many people who have contributed to making this a memorable and successful year, so with a blanket "Thank you" I express my deepest and most sincere gratitude and affection to you all.

To Their Graces, Jeffylube XXXpress and Kitty LeBehr, you have both been incredible, hard-working and a heck of a lot of fun! I truly value you both as friends, and know that this is only the beginning of your court careers.

To Empress XXXIV Ivanna Diamonds, you have held yourself this year with a quiet grace and gentle elegance that shone every time you walked into the room. Big, bold, and beautiful, you overlooked drama and gossip, to focus on money for your charities. Great job.

To Emperor XXXIV Big Daddy Pump, most of the things I would like to say to you would cost me \$20 thanks to the "Marni rule". You have done a remarkable job since entering into our little world a few years back, and with humour and commitment, with strength and dedication, with integrity, with hard-work, with true Wild-party-child style, you have set the bar for male monarchs high indeed. I am honoured to have been your prince, and truly blessed to be your friend.

To Princess XXXIV Her Entertainerness, my twin in geek-ness, and my imperial wife for the year, GoDivA, what can I say? When you perform, you do it with gusto and passion. When you fund-raise, you do it with a flair for detail and for fun. You brighten any stage, any show, any room with an incandescence that shines from your wicked moonstone soul. You are my princess and my friend, and that says it all.

I remain,

Emperor XXXIV—Big Daddy Pump

Good Evening and welcome everyone to Coronation XXXV – Somewhere Over the Rainbow – A Black Tie Affair. I hope you all have a great time tonight.

I cannot believe this night has arrived. It seems like yesterday I was making my decision – should I do it or not? I know I made the right decision. It has been a year of trials and tribulations, hard work, dedication, successes and failures, but all in all, I truly enjoyed this journey. Not only was I able to accomplish my goals, but I made numerous friends and family along the way. As I think back, not only for my year as Emperor, but also my previous year as Prince, I see so many wonderful people who do great work for their communities. I believe in the ICS and what it stands for, the family system it creates and all the things we accomplish. We need to continue this heritage, nurture those who come after us, teach and educate them, so they can carry on with the work others have started.

I know tonight I will see a room full of family and friends. I want to thank all of you who played a part during my reign, whether it be a small message of encouragement to long, drawn out talks in moments of frustration. I have learned and grown so much and again I thank you.

CALGARY: You guys really know how to make a guy feel welcome. I always look forward to my trips down to you as I know I am going to have a really good time. **Fred** – we were Alberta's Princes and now Alberta's Emperors together. Our weekly (or more) phone calls got us through some tough times. And who will ever forget New York with Marni. I am always there for you bud. You are my friend, my brother. **Malibu** – Congrats. You are one fine Empress. **Barkly** – honey, keep that old man in line. **Tim** – you are my cuddle bear, so sweet. **David** (Hell on Heels) – my god, you sure are a good time. Thank you for your support. **Carly**: from the first time I met you I knew you were a great person to get to know. You are fabulous. **Dyna Myte** – such beauty and elegance. You were a big inspiration for me and thank you for all your hospitality when I come visit at the Texas Lounge. **Dion** – OMG, enough sour jacks, now you have my Princess making me drink them up here. **Michael Myte** – bud, you are a true gentlemen. Marni and Breyanna owe you big time. I've see what they put you through. **Mz Rhonda** – girl likes her chocolate...hehehe. I will never forget Vegas. **Lonny** – I just love you. **Conrad** – I am your only son and I will never forget that. **Bianca** – I don't know how you do it girl, but you know to party it up. **Joey** – how many shooters did we drink together, oh my liver. **Jeff** – baby, you are so cute. Believe in yourself and good things will happen. **Jason** – you make me laugh. Thank you.

Welcome all to Coronation XXXV. What an amazing year and journey this as been. I am so proud to have been lucky enough to serve and represent Edmonton's community. That said, I'm not gone and will still be supporting this amazing organization, our community, and our charities long into the future. I have met many wonderful people this year and reconnected with old friends. The talent, generosity, and commitment of these people astound me. I can only thank a few but many more are in my thoughts.

Vida, congrats my sister, you are going to be amazing this year. I was looking forward to not traveling next year but now I'm checking my calendar for our next city rampage. I'm so happy to have met. **Breyanna**, whew two years done. Relax now. Not too much though, I hope to see you often out and about. **Cheron** whenever you feel blue just have some GIN FROM THE GODS! **Symara** I'm so glad to see you back! **Simone**, Empress!!! Who woulda thunk? Thanks for the ham... and the poppers, though they really do give me a headache. **Caesar**, anytime you need some melon luvin just let me know. **Loni** I hope your support doesn't go unnoticed. You can't have my melons! Ok well just half a cantaloupe. **Raye**, stay busy, stay fierce! **Robin**, you intimidate me just a little. Maybe it's the crazy blue eyes. **Fred**, I'm glad you stepped up to the plate this year. A real powerhouse. **Chris**, I'm always happy to see you out and about my old friend. Now stop moving... even if it means staying in Calgary. **Carly**, Girl you got the moves. Thanks for making me feel included this year. **Bianca, Joey, Dyna, Michael, Poodle, Malibu, Eartha, Makayla, Barkley, Iona, Juicy, Monroe, Nikki, Terri, Marty, and Stephanie St Asia**, I've had a great year and you were part of it. Thanks.

Binki, Ethyl, Krystall... Helen. Thank-you for keeping me bewigged, befroked, and bejeweled this year, but most of all thank-you for befriending me. **Mia**, now you can stop bowing. Oh F*%\$ OFF! Just had to say it one last time. **Twiggy, NESS! Ginger**, Is there anything you can't make... hmm... shoes. Get on that. **Vanity**, Keep 'em entertained! **Marni**, You have a heart of gold. Thanks for all that you've done and continue to do. **Buddys**, Thanks for helping me become who I am today. **Miss t, Eartha, Willma, Fantasia, Tia, Maxine**, I hope shows aren't gone for good. **Vonda** Maybe... we still need to do that. **Tequila**, "I mean you're not completely unattractive" you never cease to make me laugh. **Jeff and Dayzi**, You remind us all that drag is fun. I love watching the two of you and look forward to more obscure, more fun more crazy numbers. **Mcbride**, thanks for all the advice this year, it helped a lot. **Kitty**, I really hope you've had a great year and keep at it!

U, We're lucky to have such amazing men here in Edmonton. But remember **Dee**, he was mine first. Lol. Luck to you both.

Ivanna, Thanks for giving me this opportunity, and understanding when I couldn't always be there. Divide and conquer. Well I think we conquered. Luv ya.

Big Daddy, I suppose we should thank Damien for starting us on the sour jacks. Your generosity, perseverance, (I could go on and on) put me to shame. Let me know if ever you need me, even if it is just for a shot.

Rob, Well my Prince. Thank-you. Thanks for being my sounding board and mentor; someone I can speak my mind to. Thanks for telling me to sit down, shut up, and enjoy the show. I need that sometimes. We should really get around to doing those duets someday... before Jeff and Dayzi get their hands on them. Well my Friend. Thank-you.

I am very proud to have served as Edmonton's Imperial Grand Duchess XXXIV. It has been a growing experience and a very rewarding experience. Being a member of the Upper House is such an honour and fulfilling position. It has been a pleasure to work with the ISCWR members raising money for our charities and making new friends with court members from across North America.

I would like to thank their Majesties Ivanna Diamonds and Big Daddy Pump for their guidance and friendship. They have made this a productive and fun year. Working with them has brought us very close together and I consider them my family.

I also need to thank my loving husband Larry Hawrychuk for all of his hard work and help this past year. He was amazing and by my side every step of this journey. With his love and encouragement he has made this busy year a wonderful success.

Last but certainly not least I would like to thank Vanity Fair (hairdresser to the stars) for her friendship and for making me look beautiful at every show and fundraiser.

There are too many friends to list here but they know who they are. Thank you for your love and incredible support. Thank you for attending our fundraisers and attending the shows I helped organize with big smiles on your faces and open wallets.

Thank you for standing by my side during the difficult times and celebrating with me during the good times.

Much love to all,

Kitty LeBehr

Empress 34 1/2 In Town —Marni Gras

When a reign comes to an end and a new one is set to begin, the best that a stepping down Monarch can hope for is that some of the momentum that may have begun during their reign continues on through the next. Not only has this reign done this but the 34th House has built upon the foundation of this organization with their own touch of class, grace and dedication. I am very proud to be a member of this House as Half Empress.

Big Daddy . . . I don't think I have met anyone with a bigger heart than you. I love you more than you know. I am honoured to call you my dear friend.

Ivanna . . . My friend . . . My sister. There are not enough lines on a page to fully express how I feel for you. I could not think of a better person to pass the crown too. I have been so very proud to serve with you as your Half Empress. I will remember these couple of years and all we have accomplished with the hard work of our community as among the most special times of my life. The friendship that has blossomed during this time will be something I will treasure forever. Please know that you are deeply loved. Now allow your other sister, Breyanna, and I, to finally buy you that drink and show you what life is like on the other side!!!

To this community, who has allowed me to adopt it as my own, I will be forever grateful for the warmth, love and support which you continue to show me. I am proud to call you my own and I thank you.

Sincerely,

H.M.I.S.M.

Triple Decade Monarchs

T.I.S.M. Emperor IV—Michael & Empress IV—Ray St. Claire

Good Evening Your Majesties, Highnesses,
Special Guests, Ladies and Gentlemen.....

WOW!!!!!!! Who would have thought that we would have made it this far? We are humbled by this evening.....It is a great achievement to have come this far, but to do it with the I.S.C.W.R., and the people of Edmonton, it is indeed an honour and a privilege. Looking back over the past 30 years, both Michael and I are amazed at the number of people that we have met and formed lasting friendships with, all of which are cherished. There are by far too many people, friends that have passed before us and friends that are still with us, to be mentioned on one page, but I hope that you all know that you are always in our hearts and thoughts. Having said that, there are however some that we have to mention here, going back 30 years to when we reigned, very dear people that we had strong ties with and traveled with, and yes partied with.....The incomparable Widow Wilson from Spokane, Betty and Chris, and Barri Ross and Marty from Calgary, Don and Daisy Duck from Vancouver, and of course Paul and the fabulous DeDe Drew.....

There are many things that I could go on about, that is why I am NOT having double dark and dirties while I write this.....

We would also like to acknowledge Mr. Ted Northe, Empress of Canada, who has always been a trusted and dear friend of the past 30 years, also, there are two other people who have helped shape the Court system, as we all have, and they are Momma Jose and Nicole the Great, thank you for all your hard work and endeavours of the past years so that we all could gather for evenings like tonight.....

There are a couple of people that we do have to mention tho', and they have been there also from the very beginning, and they are of course the one and only Stephanie St. Asia, girl you have created more hangovers than we care to count, Ms. Rhoda Byers, a true friend that was always there for us, and I have to mention Bobby, (Michael's roomie), a very true and constant friend that both of us love to death, and of course how could I ever forget Mr. Vera, darlin' you are a true and dear friend and thank you for 30 years of friendship.....

In closing, yes I said closing.....There are two people that are very dear to my heart and tonight you are here to celebrate their achievements, and that is Ivanna and Big Daddy....Thank you for letting us share in your evening, it makes our Triple Decade that much more meaningful and special.....

Thank you again to each and every one of you here tonight, We are truly blessed.....

In Life, Love and Laughter,
We Remain,
Their Imperial And Sovereign Majesties
The Triple Decade Monarchs of Edmonton

Emperor IV Michael and Empress IV Ray St. Claire (a.k.a. Rayette)

P.S. To my St. Claire family, You keep my heart full, You keep my spirits high, and You keep my soul young XOXOXOXOXOX

Double Decade Monarchs

T.I.S.M. Emperor XIV—Rob & Empress XIV—Leah Way

20 years.....WOW.....has it been that long already. Time sure has flown by. It has been a time of reflection and remembering over the last few weeks. This has brought me some giggles, some sadness and some.....OH MY GOD moments. This first of which was my first trip to an out of town Coronation the weekend right after my own. This

first trip was to San Fernando Valley were I was call the "baby Emperor" and was advised that up to that point I was the first reigning Canadian monarch to attend their Coronation. Let's just say it was a very enjoyable experience. My reign as Emperor was a life experience that I would not change. There were good times and some not so good times (some a result of my own not so great choices) however, no regrets and I would not change a thing. This experience is part of what makes me who I am today and lessons taken away from this time are valuable. My biggest and proudest accomplishment since my reign was the relationship I developed with Bill W. about 12 years ago. (Some will know what I mean by this and some will not. If you are curious, just ask and I can go into it more.) Without this relationship I would definitely not be where or whom I am today. A lot sure has changed in 20 years within the community and society as a whole. Friends and acquaintances that we have lost over the years have sadness attached; however I have enjoyed the quiet giggles attached with the memories that have come while thinking about them over the last while when looking through old pictures and programs. As a result of society changes over the last 20 years I am now married to the man I love and we have created our family by adopting a couple of wonderful kids. WOW....I am a dad. 20 years ago I would not have even thought that any of this would have been possible. I am truly looking forward to the festivities this evening and hopefully seeing old friends and acquaintances from years gone by. I will advise you now that I have never been the greatest with remembering names so please do not be offended if I have to ask your name. I would like extend the warmest welcome to all of you who have come from out of town and sincerely hope that you enjoy your stay and the hospitality that Edmonton and Imperial Sovereign Court of the Wild Rose and been know for.

Forever H.I.S.M Emperor XIV Rob

Twenty years ago started the beginning of what was to become somewhat of a personal journey for me. And I was fortunate that I was able to start it by being part of a wildly dynamic ever changing group known as the ISCWR.

The adventure has been more than everything I expected and nothing I had planned. Some days, it seems like just yesterday that I began this journey and then others it seems like it has been a part of my life forever, and both of these are good thoughts.

The Court has allowed me to fulfill many of my dreams and for that I thank you. I have found many acquaintances along the way and a handful of very good friends.

As I look back on the last twenty years of my life and my involvement with the Court, there are not many things I would change.....a few definitely... but not many.

Thank you to those for allowing me to continue to play this game we call court and an even bigger thank you to those who don't try to understand me but just let me do the things I do and know it is with best intentions for everyone involved.

Thank you to all those who reigned before me for showing me the way and to those who have reigned after for keeping the dream alive. Good luck to the new candidates and "my kooch" just believe in yourself and you will do well.

A Message From the Gay Edmontonians

Ivana, Your grace and kindness make you not only a beautiful Empress but also a breathtaking human being. Thank You.

Big Daddy, the length of your cock is not measured only by the size of your heart. You radiate love and warmth. Thank you for being a teddy bear to this community.

Codiva and Rob, two of my dearest friends. My love and appreciation for both of you, though often unexpressed is never absent from my thoughts.

You inspire me to be a better friend, Queer and Queen.

Kitty and Jeff, though I hardly know you, I want you to know that your work this past year has not been unnoticed or unappreciated. I anticipate remarkable things from both of you in the future.

Thank you all for being positive role models for our community. I hope I can do the same.

To the 34th House, you have been an inspiration this year and I would like to say thank you for all your glorious work this past year. You have done a lot to make your reigning year a blast not only for you but for all around you. The fundraisers were blasts and fun they wouldn't have been that was without your help and support.

Thank you again for everything you two have done to make 2009-2010 reigning year the best!

Good luck to both of you and Thank you!

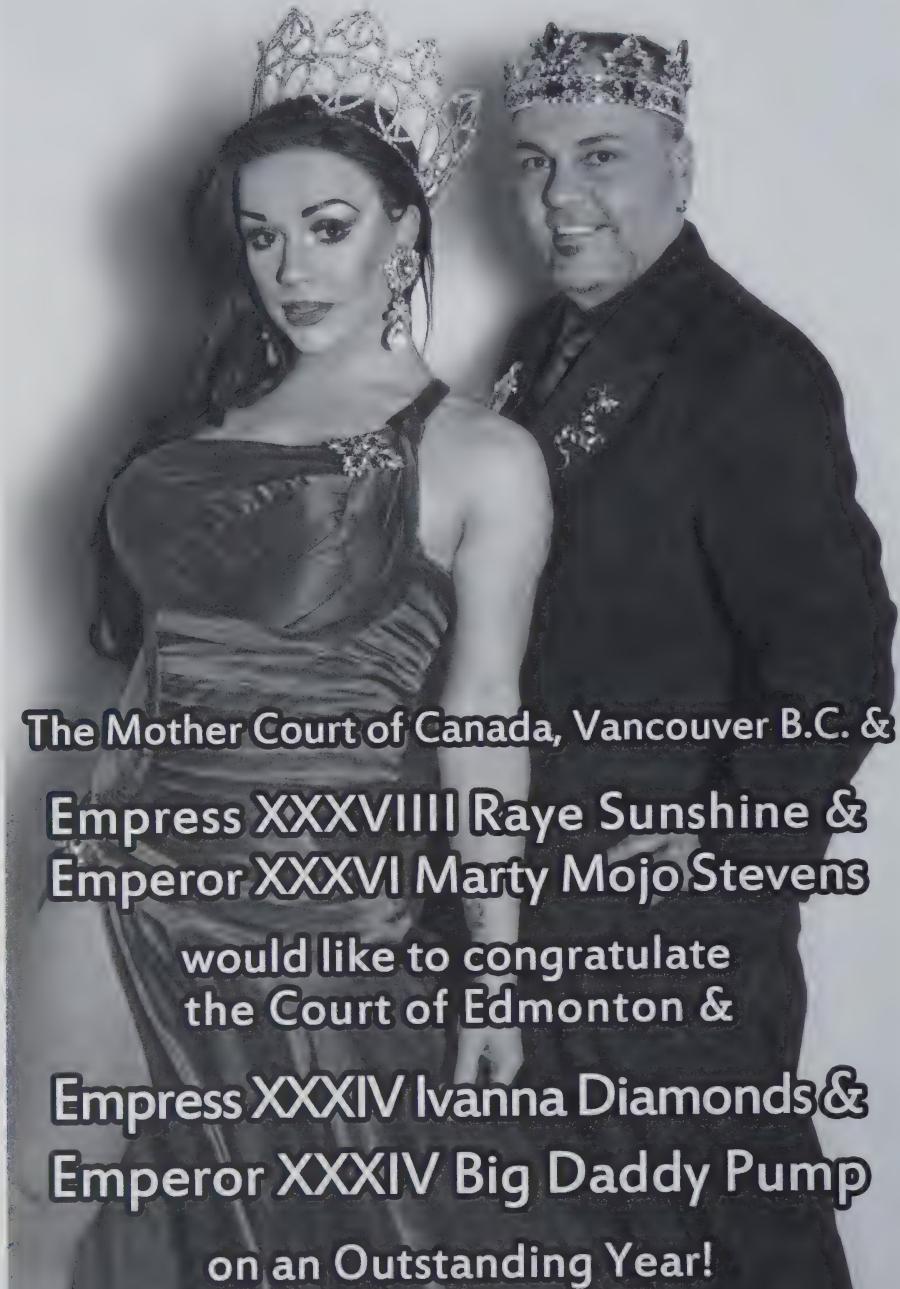

Lots of love
Ms. Gay Edmonton XXIII
Tessa Ticklez

To all the members of the 34th House: Congratulations. You've all had a fantastic year. I believe that all of your hard work and dedication over the last 12 months have completely paid off. Thanks to you, several people, including myself, have taken that first step into the performance arts, showing us that although it can be a lot of hard work, it's also a lot of fun. Your fundraisers and events were fantastic (I will never forget the night BigDaddy dripped wax on my chest in front of a full bar), and you all made sure that everyone who was participating or watching left the shows with a smile. Thank you, all of you, for the laughter, the fun times, and the incredible reasons to go out and have fun on the weekend.
